

Studebaker Hawk Technical Rider

- Band consists of drums, bass and 1 guitar plus lead vocals and 3 background vocals.
- All backline provided by the band for Southern California shows.
- Microphone choices to be determined by the sound company with the assumption that professional brands are being used i.e. "Shure/ Sennheiser/ AKG"
- RF mic preferred for lead vocal
- 4 independent monitor mixes on wedges. Support for IEM even better.
- FOH and MON mix engineer to be provided by the venue unless otherwise agreed upon.
- Input list and stage plot attached.
